

As a North Texas Commission Regional Chamber Coalition member, we support the following priorities.

North Texas Regional Chamber Coalition Priorities

Education & Workforce

The RCC supports fully funding public education. Significant and sustained investment in public schools and institutions of higher education must occur to advance student achievement and prepare Texas' future workforce.

Transportation & Infrastructure

The RCC supports responsible investment strengthening Texas' aging infrastructure through dedicated funding sources for adequate water planning and supply, safe and efficient modes of transportation, reliable energy production and delivery, and accessible broadband service.

Quality of Life

The RCC supports efforts to maintain Texas' reputation as a premier destination to live and conduct business. Funding to provide safe and secure communities, access to affordable housing and health care, favorable taxes, and regulatory freedom for businesses.
